Interim Operations Update

OWDB implemented an interim operational assignment effective July 1, 2026, pending completion of the service provider extension process for the American Job Center Hawaii (AJCH) at Dole Cannery.

During this period, OWDB staff members Lisa Pereira and Sherrie Garedo have been temporarily assigned to perform the functions of the One-Stop Operator and Service Provider while details related to the extension are being finalized.

AJCH has remained open during normal business hours, and services to job seekers and employers have continued without interruption.
